

The Girl from the Sea, 2002, 207 pages, James Aldridge, 0143001124, 9780143001126, Penguin Group Australia, 2002

The sea was a Mediterranean emerald, and all around us the heavy stillness of the summer's hot day was always there, as if everything about us in that beautiful bay would remain as it was forever. And there too, in front of me the creature from the sea, so perfect that I didn't want anything in my life ever to change. Beau, crippled and almost blinded by a terrible accident, is sent to recover in the South of France. Here, it is hoped, the clear blue sea and the influence of his indomitable Aunt Mimi will heal his damaged body and revive his spirit. When Lelee, the wild daughter of a Provencal smuggler, bursts from the sea, it becomes a summer of diving, glorious food, hidden treasure, smuggling and Jacques Cousteau. The summer of the girl from the sea. James Aldridge is a master storyteller and winner of many literary awards. In The Girl from the Sea he brings us a perfect jewel of a book for readers young and old.
